Bardiya, Nepal

Ref. No. - १९१/२०७७/०७४

Published Date: 30 August 2020

Request for Proposals (RFP) from consultants to conduct Advocacy Workshops on WASH in HCF and WASH FIT

Geruwa Rural Awareness Association (Geruwa) in partnership with and funding support from Terre des hommes (Tdh) is implementing 'SAFA Water Project: Strengthened government systems to improve water quality and sanitation services in healthcare facilities and communities' funded by Solaqua Foundation. The project supports targeted 23 HCFs of 7 municipalities of Bardiya on system strengthening, capacity building with establishment of water supply systems, new construction of toilets and hand washing stations and renovation/rehabilitation of existing WASH facilities within the HCF as per the need and improvement plan of facilities guided by the **Water and Sanitation for Health Facility Improvement Tool (WASH FIT)**.

Advocacy workshops will be conducted to advocate on the importance of WASH services in Health Care Facilities, Use of WASH FIT as a planning and monitoring tool in the context of health care facilities and to increase resource allocation for WASH in HCF by municipalities. The external consultant will facilitate the advocacy workshops at 7 (Seven) municipalities namely Rajapur, Geruwa, Madhuban, Thakurbaba, Bansgadhi, Badhaiyataal, Baarabardiya and 1 (One) workshop at District or Province level depending upon the COVID-19 scenario in coming days.

Required experience and expertise of consultant

- Bachelor's Degree (Masters Preferred) in Health, WASH related or any other relevant degree with **good facilitation and advocacy skills**
- The consultant should have proven experience and knowledge of WASH in Health Care Facilities at Global, National, District and local levels.
- Experience of working with local governments and Communication/Advocacy related jobs is desirable.
- Preference will be given to local consultants considering COVID-19 situation

Detail Terms of Reference (ToR) can be obtained from www.geruwa.org.np

How to apply,

Interested qualified individuals/firms are requested to submit their applications emailing at jobs.geruwa@gmail.com along with the following documents within 05.00 pm 5th September 2020 (20 Bhadra 2077).

- Cover letter (1-page) justifying relevant experience, expertise, and qualifications.
- Updated CVs (3-pages max) of consultant highlighting the relevant experience, expertise and qualifications
- Narrative proposal with methodologies and results, and tentative action plan
- Financial proposal (1-page max) including per day rate and total consultancy service fee in NPR including applicable taxes.

Geruwa reserves the rights to seek further details and documents from shortlisted consultants during the course of proposal evaluation and negotiation process. Geruwa reserves the rights to reject/dismiss this procurement process without furnishing any reasons to applicants.
